“The most fun you can have on ice—legally, anyway”

Lot's of fun, some great curling, and nobody was arrested—I say that was a successful bonspiel!

Our 2008 Dr McGillicuddy champions are the Vince Bernet rink, from St Paul Curling Club:

Skip: Vince Bernet

Vice: Pat Walsen

Second: Greg Timmerman

Lead: John Eustice

In an exciting final game against the Mike Sethney rink from Owatonna, the score was 7-6 for Bernet after 7 ends, without the hammer. After several hit-and-rolls, Bernet was lying first and second shot with the hammer shot from Sethney's team still to be delivered—a tidy little hit and roll to remove both of Bernet's stones, for the win. BUT...the shot came up a little light, hitting the shot stone in the perfect position to roll it across the rings, but not out of shot position. Bernet wins!

An excellent game, some splendid shot making, and outstanding sportsmanship from all involved. A fitting end to a great weekend!

In related news, the second event was won by the John Krenz rink:

Skip: John Krenz

Vice: Nancy Nieman

Second: Al Rykhus

Lead: Tom Berry

The third event was won by the Alex Risberg team from Owatonna—junior curlers every one! And the fourth event was taken by Bill McBride's team from Kansas City.

Congratulations to all of our participants, and thanks for making this a successful bonspiel.
